ABOUT US

Yunater — Innovators in Premium Beauty & Personal Care Manufacturing
Watch a 2-minute video to Learn About Us
Welcome to Yunater

We deliver one-stop beauty solutions covering skin care, body care, makeup and clean beauty. We serve private label brands, global importers, offline retailers and e-commerce sellers looking to launch their own product lines. From nourishing skincare, gentle body care and trendy makeup to natural clean beauty items, we help brands develop customized, high-performance products that combine outstanding efficacy with skin-safe formulas.
At Yunater, we believe radiant beauty and environmental protection go hand in hand. Founded in 2009, we have grown into a trusted manufacturer across the beauty sector by integrating professional R&D, strict quality control and sustainable production. Our mission is to craft gentle, effective beauty products while protecting our shared planet.

Our Vision: Green & Healthy Beauty for All
With more than 17 years of industry experience, we operate three large-scale production bases as the core of our business. We develop a full portfolio of skin care, body care, makeup and clean beauty products, following one core principle: bringing safe, healthy and eco-friendly beauty routines to every user. Our clients are valued long-term partners. We devote ourselves to delivering quality goods and professional OEM/ODM services with the same care we use for our own brand. We are glad to have you here, and look forward to growing together with you.
